

CENTRAL STATES Shorthorn & Polled Shorthorn SALE

THE
SALE
OF THE
"MONEY MAKERS"

APRIL 7, 1973
OSKALOOSA, IOWA
SOUTHERN IOWA FAIRGROUNDS

These good females are typical of the quality in the herds of those consigning to the semi-annual Central States sales. With herds like this, it is no wonder this sale is called the "Sale Of The Money Makers."

THE 47TH SEMI-ANNUAL

CENTRAL STATES

Shorthorn & Polled Shorthorn

SHOW & SALE

OSKALOOSA, IOWA

SATURDAY, APRIL 7, 1973

- 77 HEAD -

37 BULLS

40 FEMALES

This sale has earned the title of "The Sale Of The Money Makers." Central States cattle are the kind that will make a profit for you.

GENERAL INFORMATION

SHOW TIME—The show will begin at 9:00 a.m.

SALE TIME—The sale will get underway at 12:00 noon.

LOCATION—The sale will be held at the Southern Iowa Fairgrounds, northwest corner of Oskaloosa, close to primary roads 92 and 163.

TERMS—The terms of this sale are cash unless other arrangements have been made in advance with the owners and the sale manager notified. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at the buyer's risk as soon as bid off.

GUARANTEE—All cattle in this sale will be sold under the Standard Guarantee endorsed by the American Shorthorn Breeders' Ass'n.

LIABILITY—Each transaction in this sale will constitute a contract between the buyer and seller of each lot. The auctioneer, ringmen, or sale manager have been employed for specific tasks not connected with the handling of the cattle or the condition of the premises and they will accept no liability, legal or otherwise, for the buying contract or for any accident. Neither can the seller accept any liability for injuries that may occur. All persons attend this sale at their own risk.

FOOTNOTES—Where footnotes appear, they have been furnished by the consignors. Announcements from the auction block take precedence over data in this catalog.

REGISTRATION CERTIFICATE—A certificate of registry will be furnished with each registered lot and will be transferred to the buyer without cost to him. Application for registry, properly signed, will be furnished with each unborn calf sold in dam.

HEALTH—All cattle are sold subject to a 60-day retest for tuberculosis if kept isolated, unless going into a Federal Accredited herd. Health certificates will be furnished to enable them to be shipped into other states. All cattle have been tested for tuberculosis unless they come from an Accredited herd. The cattle have been tested for Bang's within 30 days, or have been calfhood vaccinated, unless otherwise stated.

LUNCH—Lunch will be served on the grounds by the ladies of the Central Re-form Church.

HEADQUARTERS—Traveler Motel, 11 blocks east of the business center on Hwys. 92 and 63.

FRIDAY NIGHT BANQUET—An informal meeting and dinner will be held at Hull House, located on route 92 on the east edge of Oskaloosa, at 6:30 p.m., Friday evening, April 6.

AUCTIONEER—Tom Sherlock, Oxford, Iowa.

SALE MANAGER—A.S.A. Sale Management, Bill Stunkel, 8288 Hascall St., Omaha, Nebr. 68124.

FIELDMEN—Mike Kershaw, The Shorthorn World; Wade Hauser, Wallace's Farmer; Terry Jaschke, Drovers Journal; Wayne Farnum, Victor, Iowa; Adrian Meierotto, West Point, Iowa.

A SHORTHORN PAINTING SELLS

As has been the custom at these semi-annual sales, Harry Gohner, artist from Lacona, will auction an original Shorthorn painting already beautifully framed. This picture shows a painting that sold at a former sale. These are highly valuable works and this one would be an attractive addition to any Shorthorn, or Polled Shorthorn home.

We used this bull at a very young age and has been a very good breeder. We ran him with 30 cows last summer and he is the type of bull more breeders should use. Has a lot of natural muscle and condition. Was a big calf that adjusted to 520 lbs. at weaning. A bull that also will dehorn your calves.

M & S MISCHIEF INVADER — Invader is a bull for the modern cow man, because he had a 205-day weight of 540 lbs., and an actual 365-day weight of 980 lbs. He is definitely the largest-framed, growthiest bull that I have ever produced. His dam is one of my best producers and a good milker. All of her heifer calves have been kept for replacements. Invader is a 2-year-old, and will be ready for heavy service. We used him last summer on a few selected cows. A bull everyone should see if they want more size, scale and frame.

M & S WENDY WIMPLE 2nd — A daughter of Kinnaber Leader 9th, and she is a "polled" heifer we would like to keep, but we have a lot of Leader blood in our herd. A heifer that would be ideal for 4-H club work or a foundation female. She is a flashy heifer that has a lot of correctness and size. Her dam was a first calf heifer, but still did a good job. She should satisfy the most critical.

You Don't Need A New Breed . . .

. . . just new blood . . . Shorthorn and Polled Shorthorn blood! Shorthorns have been working improvement for over 300 years in all parts of the world and under varying climatic conditions.

They are the world's most numerous beef breed dominating the cattle scene in areas where they have to make it on their own.

Over 30 recognized beef breeds carry Shorthorn blood. (Included are many of the exotics known for their extra size.) Proof positive that Shorthorns have no peer in crossbreeding programs.

Tests show Shorthorns increase milking ability, weaning weights, carcass grade and finishing qualities . . . and . . . you don't have to be a millionaire to find out.

Demand for Shorthorn and Polled Shorthorn feeder calves exceeds existing supplies. Help fill this growing and lucrative market.

Go the sensible way. Go Shorthorn!

STANDARD GUARANTEE

ENDORSED BY THE AMERICAN SHORTHORN ASSOCIATION

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller. Cows with calves at foot even though bred are not given any guarantee.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any other animal later substituted.
5. In the event an animal is returned by the buyer to the seller as a non-breeder, the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such certificate is required by the seller.
6. All animals are sold to comply with the laws regulating tuberculosis and Bang's disease of the state or country into which they may be shipped.
7. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.
